Although we do our best to keep our party room nut free, we are not a nut free facility. Please notify us if there are any allergies that we need to be aware of. Your guest's enjoyment and safety is our first priority. We provide adequate staffing for our parties and since there is limited room for additional parents, we ask you to remind your guests that this is a drop off party. The Village of Hamburg is a great place and that is the perfect opportunity for parents to explore the many small businesses that our Village has to offer.
